

*LFMC Noteworthy News  
November 2024*

*I am so thankful you chose to be a member of our Federation! I believe you have chosen well!*

*NFMC is an organization for all! Our members are Studio teachers, College professors, Church musicians, Choir Directors, Band and Orchestra Directors, Solo and Ensemble Performers. Also, we have members who do not teach or perform, but value and love music for the beauty it brings to our lives. They choose to get involved to spread the beauty of music in their community and beyond. We are all so important to achieving the goals of LFMC! Spread the word and ask your friends to join us.*

*Festivals are designed to encourage our students by allowing individual success. You will be receiving information on our Composition Contest and other LFMC Awards opportunities. Please check our website: [lfmc-music.org](http://lfmc-music.org) for information.*

*Mark your Calendars: LFMC State Convention will be held in Baton Rouge on Friday/Saturday, March 28-29, 2025. LFMC Awards Presentations and more. Please plan to attend.*

*Blessings and Happy Thanksgiving!*
